President's report A.K.A.

The Thomson Tribune

Holy October Legends! Can't believe we're already there, where has 2025 gone? I know I have said that numerous times in this newsletter but I'm really living it this year! By the time you read this, the last big show of the year in High River will be done and many of us will be getting ready to put the cars down for a long winters nap. Sigh. The start of the season was plagued with monsoon type weather, but the last bit of August and all of September has been amazing! Here's hoping that it continues for another 2 months! Doubtful, with the first negative temperatures already being in the forecast this coming weekend...Yuck!

On all accounts however, 2025 and AMAC's 45th year was an amazing one! So many shows and activities

all driving season long. Some of you out there put some serious miles on! In hindsight, I didn't get to do as much as I had hoped for multiple, not so good reasons, lol. First and foremost being, I didn't get our '68 finished or together in time for the cruising season, as what looked to be a 12-beer task quickly turned into 36+ and it still isn't all together! Shame on me, but shout out to Randal for helping me finally get the hood on and lined up. (another 8 beer task!)

However, it is a great time to become a couch potato honestly, especially if you're a sports fan. This is like the ultimate time for TV viewing – I'm not one for baseball typically but going to be cheering on our Jays over the next few weeks, fingers crossed! Then full swing in-

to some Flames hockey... maybe the '68 will never be done, Hahah.

But, just because the driving season may be over for some of us northerners, it does not mean that as a club, there is nothing going on. This is the time of the year that all the planning gets started for the next season, including World of Wheels, Presidential, Spring Fling, so on and so forth. Coming up very soon, November 27th will be our annual AGM and executive position elections, so be sure to mark your calendars. You do not want to miss this very exciting evening at the Legion with their very cheap cold beer. Hahah again! Please be reminded that all executive positions are open to nominations from our members, and it would be amazing to

have a great turnout that evening, in addition to requiring enough members for a quorum.

Mentioning 2026, there are already some great activities being looked at or planned, and while I do not want to give away all our secrets yet, be prepared for yet another amazing summer!

Saw some posts on the 'ol Instagram that registration

is now open for the IMM in Vancouver and I'm certain spots are filling up fast! I cannot wait to get out there and defend our "participation trophy" again! Speaking of which, shout out to Jared Blackmore for once again volunteering to safeguard the trophy until IMM comes around again – there is a space reserved for it in my garage, but the pressure to keep it completely safe in that time is

now off me! Thanks Jared!

So, while we have what might be a few days, or hopefully weeks left of a driving season, don't hesitate to get those ponies out there and put some more smiley miles on before you no longer can. I know I intend to!

Between Jays games! Lol

Til next time folks!

Scott

Alberta Mustangs Auto Club

Hey everyone, I am looking for submissions for the club Instagram account. Looking for photos of members cars at shows, or just out and about. If you have a story to go with it great, if not, no worries. The intent is to start a recurring, year round digital car show that shows off our members cars. Multiple submissions are welcome, though only one car will be posted at a time. I am also willing to meet up to take new photos if someone is looking to get some new ones for this summer. Please send submissions to abmustangsocial@gmail.com. Instagram account can be found at <https://www.instagram.com/abmustangsocial/>

Thanks! Ian B.
