President's report A.K.A.

The Thomson Tribune

June already? Wow, where does the time go Legends....It seems like a couple weeks ago when I sat down at this same spot and scorched by grey matter writing the April newsletter report. They say time flies when you're having fun, but I think it's more an old age/memory related issue.

But, when I really look back at the last couple months I can clearly see why it has flown by! There has been some epic stuff going on, and it is easy to understand how it has become a blur now! However, I can't help but remain true to my newsletter report introductions by complaining about the weather either! We're not off to the best summer so far, and let's hope that it improves a little bit ☐ – getting tired of having the heated seats and heater on in the morning, and A/C blasting in the afternoon, hahah.

2026 has been an interesting year so far. Started with a bang by "accidentally" winning our Saleen Focus on Bring-a-Trailer and flying down to Phoenix and driving the 1600 miles back, over three mountain passes, in February, with 205/40/17 summer tires. Amazing experience, and happy to report it was uneventful except for the border crossing.

Shortly after that, AMAC joined the hundreds of other Mustang Clubs across the continent to celebrate National Mustang Day and the Mustang's 62nd birthday, as we have since the event's inaugural year in 2015. Unfortunately, Mother Nature did not help at all this year, and NMD had to be rescheduled 3 times from its originally scheduled date of April 18 to May 9, which meant that we were also able to celebrate Mother's Day at the same time! It was an absolute bummer for Shannon and I as we could not attend for the first time ever but did join the celebration incognito by renting a 2026 convertible Mustang and cruising the Las Vegas strip. Thanks once again to our fearless cruise leader, Vince Stephens, who led the charge, leaving Metro Ford to Rockies Tavern and Grill in Bragg Creek. This year's window cling was made to honor the 30th anniversary of the Mystic Cobra by having blue, purple, and green colors, so, I had to steal a couple before the day ever happened!

Spring Fling was a smashing success, with Amanda and Randal once again going completely overboard with the details. For the first time in a while, we all headed North to Airdrie and the Woodside Golf Course and the 525 restaurant. There, we had good eats, libations,

and entertained ourselves in a rousing round of Mustang Trivia. While I expected AMAC'ers to be knowledgeable on all things Mustang, it was remarkable to see how knowledgeable you all are! We tried to make some of the trivia difficult, but that didn't stop anyone of you! Impressive. When doing our research for the trivia questions, I learned that the Mustang has been featured in over 3000 movies or TV shows – that's remarkable! Big shout out to Sheldon Bueckert of Curated Octane for providing the custom Mustang artwork that was given away as raffle prizes, and even bigger shout out to Jim Jenkinson who offered the one he won for auction with all proceeds going to the veterans at Branch 285 of the RCL. While I know Jim is a big-hearted guy, I'm pretty sure it was Irene who put her foot down and said no more Mustang crap! Hahah. But my hats off to Mike Thibodeau who was the biggest bidder at \$450!!! Bidding went back and forth for ten minutes, and he took the unique picture of the multiple year fastbacks rear ends home with him! Sorry Kathy!

Continued...

The Thomson Tribune continued...

A remarkable 7 days after organizing the Spring Fling, Amanda and Randal were somehow able also to pull off a wedding, and one of the best ones I've been to! Huge congratulations to both of you and thank you for sharing your special moment with all of us. It was an incredible day, and Mother Nature was on your side. She did threaten in the morning, and unleashed all her fury the day after, but the weather was absolutely perfect! Now it's time to take a well-deserved break (but only after you help me with the Presidential trophies! Lol)

Speaking of the Presidential, we are just over a month away from our premiere event of the season, and our 42nd Annual! It is being held July 18th in Legacy Township, 210 Ave and Macleod Trail South. It will be a bit more relaxed format this year, in which there will be no distinct classes that require re-

served spacing, or a massive volunteer parking team. Cars will be staged in the order they come, so travel with a friend and you will be parked next to each other or bring multiple cars and put them all together! Everything is in motion, except the trophies noted above, and we are really looking forward to it! The call for voluntolds will come soon, and we will be seeking to fulfill the typical job tasks – parking, tent set up and tear down, beer runner etc. Cost will once again be \$20 per car. One of our newly appointed directors, Lance, is working on app that will allow us to do some of the administrative portions of the event, including voting and ballot counting, and we are getting excited to see it in action! Thanks for your hard work on this Lance! As always, if you have any questions or concerns regarding the Presidential or have some new ideas that you would like to suggest, do not hesitate to reach out to me directly! All my contact information is available on the AMAC website.

Planning is well on track for the 6th Annual Hoods on Horton and our HoHo committee has been hard at work. This will also be a primary event for us AMACer's this summer, and we are really looking forward to it. Be sure to mark Sunday, August 23rd on your calendars and come out and support the worthy cause. Again, if you have any questions or concerns, or would like to know how you could help out, do not hesitate to contact me or any of our executive team!

It absolutely blows my mind that we are 9 days away from the Summer Solstice and that the days will start getting shorter soon, especially considering it doesn't feel like summer has started at all yet! But, perhaps take that as a boot in the butt and get those wheels a' rolling, as before we know it, it will be time to put them away again, sigh. ☐ Hope to see you all out there!

Scott

SPRING FLING

FUN & GAMES

KUDOS TO Amanda and Randal who pulled this off a week before their wedding! Lots of fun & games at our Spring Fling! The mustang Trivia proved to be fun, with Martin's team taking home the first place award!

SHOUT OUT to these three Legends! Sheldon B donated a couple of beautiful hand drawn pictures, Jim J. won this one and auctioned it off to raise funds for the foodbank! Mike T. purchased it! A whopping \$450 was raised! Legends generosity at it's finest!

Wright Restyling provides solutions to anything inside the door handles of any vehicle. We design and install Katzkin leather interiors with custom embroidered logos. We design, install and tune small to large audio systems. Integration to factory systems has become very important in today's tech rich vehicles. Our team is able to retain key factory systems, remove factory audio filters and provide a clean unfiltered baseline for audio upgrades. We can custom build sub boxes, consoles, door panels and speaker panels. With these services blended together, Wright Restyling can upgrade an entire interior with any of the desired comfort features available.

Feature upgrades available: Heated / cooled seats, remote starters, GPS tracking, laser and radar defence, interior lighting, blind spot, backup cameras, parking sensors, 3D printed custom panels, CNC aluminum and ACM.
